

Hello FHS Senior Families,

Families can start ordering Caps and Gowns now! Throughout the year Jostens, the company that produces our gowns, yearbooks, grad announcements, rings, and Letter Jackets. will send out "deadlines" for ordering the graduation caps and gowns. Please know that they do rolling deadlines to place your order. Since each gown is customized to your students height and weight they want to make sure they have the correct gown for your student and this is why they encourage families to purchase early.

Please note that Jostens will offer multiple packages where families can bundle various items together. This makes it easier to purchase in one shot. However, it does make it hard to find the package that is just the cap and gown. Below we have included the link that makes it easier to get this package as it can be hard to find on the website.

The attached flyer also has helpful videos on the various products that Jostens offers. If you have any questions we encourage you to reach out to Jostens directly as they manage these graduation products.
